Dear Minister:

Re: Jamaican Canadian Association Community Centre

This is just a note to update you on our community centre renovation project. Construction work is ongoing and is slated for completion mid-July,

Our fundraising activities have raised \$305,000 with an additional \$110,00 in pledges.

We met with the provincial government and we have submitted a proposal to the Trillium Foundation for a capital grant. We are continuing to meet with your colleagues from the GTA caucus. They are all very supportive. Bryon Wilfert has sent a letter to Minister Gagliano regarding a loan through CMHC. Any help you can give us in this regard would be greatly appreciated.

Thanking you for your continued support.

Yours truly,

Jamaican Canadian Association

Herman Stewart
President
